Commissioner for Patents
Washington, D.C. 20231

Sir:

Applicant respectfully petitions to revive the above-identified application herewith stating in the accompanying verified statement that the delay was unintentional.

The above-identified application became abandoned with the issuance of a Notice of Abandonment on December 19, 2008. The background of this case is that on May 14, 2008, the USPTO issued a non-final Action. Unfortunately, a reply was not timely filed. Therefore, on or about December 19, 2008, the Office issued a Notice of Abandonment. The delay was unintentional and occurred while this matter was being transferred to new counsel.
